
HOUSE RESOLUTION

REQUESTING AN AUDIT OF DEPARTMENT OF TRANSPORTATION PUBLIC WORKS
PROJECTS AT THE DANIEL K. INOUE INTERNATIONAL AIRPORT.

1 WHEREAS, regular users of the Daniel K. Inouye
2 International Airport are frustrated with the airport due to its
3 inefficient design and a lack of space during peak hours; and
4

5 WHEREAS, since the airport first opened in 1962, there have
6 been several completed expansions, but the last major project,
7 the current Terminal 1 (formerly the Interisland Terminal) was
8 opened twenty-five years ago; and
9

10 WHEREAS, a long-awaited modernization project is underway
11 and plans are being developed for another concourse; and
12

13 WHEREAS, the reportedly slow progress of construction
14 projects at the airport is at least partly attributable to
15 having the airport operated by a division of the executive
16 administration rather than by a public corporation; now,
17 therefore,
18
